

2021 / ASSEMBLAGE

D.O. Maipo Valley - Andes, Chile

**44%** Tempranillo **23%** Syrah **21%** Cabernet Franc **12%** Cabernet Franc

*The Blend Rouge has been the hidden protagonist of our best wines, an outstanding singer in our chorus. The secret ingredient, the transformer, the enhancer today is over the scenario, as when the chorist is alone with her microphone and her talent shines alone captivating as the star. Such purity is difficult to express in one language so we invited the mother languages of the winery and the universal English to participate in her dress. Time is fair and Cabernet Franc has become a star. Ladies and gentlemen... The Blend Rouge!*

## Winemaking note

The Blend Rouge is produced with grapes from Boca Chica in San José de Maipo, expressing all the character of the variety, with a powerful and penetrating nose. The harvest was held mid April to keep the fruit fresh, achieving a great grape maturity and a nice mouth intensity. A double selection of grapes and low temperature fermentations can extract purple and black fruit, keeping the aromas in the wine. This wine stands out for its robustness combined with the delicacy of its violet and floral notes, much like those found

in Aquitanian terroirs such as Saint-Émilion. It represents the darker side of CASAFÈVRE's wines, with intensely purple and black fruit. To withstand such intensity, new oak and extended time in the barrel are required—French oak, of course.

## Tasting notes

Hints of geraniums, baking spice and tobacco leaf to the plums and cassis fruit. A full-bodied Cabernet Franc with an attractive saline character to the fruit. Dense and chewy." (James Suckling).

## Pairing

*"You have this wine, like to think of charcuterie"(Descorchados)*

Harvest date 1° week of April	Production 4,798 bottles	Alcohol degree 14,2% Vol.	Residual sugar 2,4 g/l	Total acidity 3,57 g/l	PH 3,39
