

2021 / CABERNET FRANC

D.O. Maipo Valley - Andes, Chile

85% Cabernet Franc 15% Cabernet Sauvignon

Cabernet Franc has been the hidden protagonist of our best wines, an outstanding singer in our chorus. The secret ingredient, the transformer, the enhancer today is over the scenario, as when the chorist is alone with her microphone and her talent shines alone captivating as the star. Such purity is difficult to express in one language so we invited the mother languages of the winery and the universal English to participate in her dress. Time is fair and Cabernet Franc has become a star. Ladies and gentlemen... The Franq Rouge!

Winemaking note

The Franq Rouge is produced with grapes from San Luis de Pirque, expressing all the character of the variety, with a powerful and penetrating nose. The harvest was held mid April to keep the fruit fresh, achieving a great grape maturity and a nice mouth intensity. A double selection of grapes and low temperature fermentations can extract purple and black fruit, keeping the aromas in the wine. This Franq can bear a long barrel

needed to combine the power with an adequate structure in mouth. 100% of the wine is aged in French barrels to make this great wine.

Tasting notes

Hints of geraniums, baking spice and tobacco leaf to the plums and cassis fruit. A full-bodied Cabernet Franc with an attractive saline character to the fruit. Dense and chewy." (James Suckling).

Pairing

"You have this wine, like to think of charcuterie"(Descorchados)
